"Memorial Day Order"

MEMORIAL DAY ORDER*

Headquarters Grand Army of the Republic,
Washington, D.C., May 5, 1868.

GENERAL ORDERS

No. 11

I. The 30th day of May 1868 is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyard in the land. In this observance no form or ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit.

We are organized, comrades, as our regulations tell us, for the purpose, among other things, "of preserving and strengthening those kind and fraternal feelings which have bound together the soldiers, sailors and marines who united to suppress the late rebellion." What can aid more to assure this result than by cherishing tenderly the memory of our heroic dead who made their breasts a barricade between our country and its foes? Their soldier lives were the reveille of freedom to a race in chains and their deaths the tattoo of rebellious tyranny in arms. We should guard their graves with sacred vigilance. All that the consecrated wealth and taste of the nation can add to their adornment and security is but a fitting tribute to the memory of her slain defenders. Let no wanton foot tread rudely on such hallowed grounds. Let pleasant paths invite the coming and going of reverent visitors and fond mourners. Let no vandalism of avarice or neglect, no ravages of time, testify to the present or to the coming generations that we have forgotten, as a people, the cost of a free and undivided republic.

If other eyes grow dull and other hands slack, and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remains in us.

Let us, then, at the time appointed, gather around their sacred remains and garland the passionless mounds above them with choicest flowers of springtime; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us as sacred charges upon the nation's gratitude—the soldier's and sailor's widow and orphan.

II. It is the purpose of the commander in chief to inaugurate this observance with the hope that it will be kept up from year to year, while a survivor of the war remains to honor the memory of his departed comrades. He earnestly desires the public press to call attention to this order, and lend its friendly aid in bringing it to the notice of comrades in all parts of the country in time for simultaneous compliance therewith.

III. Department commanders will use every effort to make this order effective.

By Command of -
John A. Logan,
Commander in Chief

N.P. Chipman, Adjutant General

*This version of the "Memorial Day Order" appears on bronze plaques in several national cemeteries including Fort Rosecrans (Calif.), Fort Snelling (Minn.) and Fort Bayard (N.Mex.). Different versions of the general order with slight differences in wording, spelling and punctuation exist elsewhere.

Along the banks of the Danube, between the walkway and the cliff, 2/3 of the way from the parking lot to the Abby.

Marker

A white stylized column with English text, commemorating three American soldiers who drowned here. Per page 27 of the European Stars and Stripes dated Monday 24 October 1977, the soldiers drowned in a training accident. They were in a rubber dingy with 12 other soldiers attempting to cross the Danube in a maneuver using a rope by pulling the boat across hand over hand. The current plunged the boat into the rope, flipping it over. The other 12 soldiers were rescued by fellow soldiers and Kelheim citizens.

Monument text:

In Memory of Three Soldiers of the U.S. Army who Lost their Lives at this spot in the Danube on September 16th, 1975

They met their Deaths on Active Service for our Freedom.

SGM US Army

2nd Battalion, 87th Infantry Regiment, 10th Mountain Division, out of Fort Drum, NY

He served in the Gulf War in 1991 and was on his second tour of duty in Afghanistan taking part in Operation Mountain Resolve. He was onboard an MH-53 Pave Low helicopter conducting combat operations for 'Operation Mountain Resolve' when it crashed nine miles east of Bagram Air Base. A compressor problem caused one of the two engines on the Pave Low to stall, leaving it with one engine operating and too much weight to carry in the thin mountain air. The pilots attempted to jettison the auxiliary tanks without success and then the other engine stalled while an emergency landing was being attempted. With all power lost, the helicopter fell from an altitude of about 200 feet onto an uneven river bank, rolled over and burst into flames. Eight people survived the crash. Among his military awards and decorations were two Bronze Star Medals and the Purple Heart.

He was predeceased by his father, Walter R Albert. He was survived by his mother, Germaine Deschaine Albert; three brothers; four sisters; a sister-in-law; three brothers-in-law; two aunts; an uncle; and several nieces, nephews, and great-nieces and great-nephews.

Five of the servicemen killed in the crash are included in the group burial of comingled remains: Maj Steven Plumhoff USAF, SSgt Thomas Walkup Jr USAF, TSgt Howard Walters USAF, TSgt William Kerwood USAF, and SGM Phillip Albert USA. Interment for the group burial was held on January 21, 2004.

Funeral services for his hometown burial were held on Tuesday, December 9, 2003, at Funk Funeral Home, Bristol, CT, followed by a Mass of Christian Burial at St Ann Catholic Church, and interment with military honors in St Joseph Cemetery, Bristol, CT.

Brooks, Craig Wilson

B Co, 1977-1979

Birth: 13 April 1953
Death: 23 October 2021

Craig Wilson Brooks

April 13, 1953 - October 23, 2021

Columbia, South Carolina - Craig Wilson Brooks, 68, passed away suddenly, but peacefully, of cancer on October 23, 2021, in Columbia, SC. Born on April 13, 1953, he was the son of Waldo and Beverly Brooks Jr, both of whom preceded him in death.

After graduating from The Citadel in 1975, he served as an officer in the U.S. Army for 4 years. He received his Masters in Business Administration from Webster University, and began a 29- year career with the SC Department of Education. While there, Craig developed and implemented a software program to track the ordering, purchase, and delivery of US Department of Agriculture food to state-wide schools, hospitals and prisons. He was nationally known for his leadership and expertise in Commodity Distribution. He served from 1997-1998, and again from 2010-2012 as President of the American Commodity Distribution Association.

Craig was an avid golfer and will be greatly missed by his many partners and friends. As with many golfers, he just knew the next improved golf club would lower his score and his home is filled with "the next best thing." Of course, his average score stayed the same.

Craig is survived by his beloved brother, Waldo Brooks, III (Patricia); sister, Maudeen Brooks Duvall (David); and his "mirror image" twin brother, Steven Brooks (Nancy), who is devastated by Craig's passing. He will be greatly missed by his close friend and former spouse, Rosie Brooks. He also is survived by 9 nephews and nieces, and 13 grand nephews and nieces.

Carr, Jason

D Co, 1986-1988

Birth: 11 October 1966
Death: 27 February 1991
Burial: Quantico National Cemetery

Born on 10/11/1966, SGT Carr died when the Blackhawk helicopter he was on was hauling the crew of UH-1H #64-14273 back to port. When the helicopter jumped back into Kuwait they were misoriented and shot down.

From the age of 12, Carr dreamed of serving in the military. Carr's memorial service was held at his high school; a plane scattered his ashes across the Blue Ridge Mountains.

MEMORIAL SERVICE SET FOR SGT. JASON CARR. Flags flew at half-staff yesterday at Halifax County Senior High School in memory of Army Sgt. Jason Carr, Class of '85.

A memorial service will be held at the school at 11 a.m. Saturday. Carr, 24, was killed in Operation Desert Storm Feb. 27. The service will be open to the public, said Jimmy Carr, Jason's brother. The family learned of Jason's death Sunday.

"Because the country has been so supportive of the troops and the community has been so supportive, we felt it only appropriate that we allow everyone to be part of it," Carr said. "It's just a little bit from us to share with the community."

Jason Carr, a crew chief gunner and mechanic, was killed along with six others on a troop ferrying mission over Iraq, his brother said. The UH-60 Black Hawk helicopter Carr was flying in was shot down by enemy ground fire. Officials at U.S. Department of the Army had no further information yesterday.

Carr, who was student council member at Halifax Senior and a member of Halifax Presbyterian Church, enlisted in the Army soon after graduation. He had been in the Persian Gulf since Jan. 9. He was the son of Brenda and James Carr. A private family service is also planned after the body is returned.

From the Richmond Times-Dispatch, March 5, 1991

Christensen, Mark Edwin

A and C Co.'s

Birth: 12 March 1952
Death: 13 October 2020

Mark Edwin Christensen went to be with his Heavenly Father on Oct. 13, 2020, after a brief battle with pancreatic cancer. He left much too soon and far too quickly, but by God's great mercy and grace, he didn't suffer for long. A memorial service will be held at the Lutheran Church in Sunburst on Saturday, July 24, at 11 a.m.

Mark was born on March 12, 1952, to William (Bill) and Kathryn (Larson) Christensen in Shelby, Mont. He was the second of five boys. He grew up on a farm in Sunburst, Mont., a paradise for five active, curious and mischievous boys. You could see the Sweetgrass Hills out the kitchen window and his grandparents, Edwin and Kaia Larson, lived close by.

Mark loved Montana and was sad to leave (all five boys were unhappy to leave, well, four of them, anyway) when they moved to Eugene, Ore., in 1965. He attended Willamette High School and eventually got a GED. In December 1972, he enlisted in the Army with his brother, Jim. They did Basic Training at Ft. Ord, Calif., AIT at Ft. Polk, La., and their permanent duty station was in Bamberg, Germany, until 1976. In 1976, he met and married Roberta Desjardin. They were married until 1979. In June of 1977, their daughter, Toni Raye, was born.

Mark enrolled in mechanic school and moved to Phoenix in 1985, but left after a while to work. His life's work was in trucking, driving everything from sanitation trucks, 18-wheelers, farm equipment, to dump trucks and everything in between. He started driving the fuel truck on the farm almost before he could reach the pedals. Mark was a mechanic at heart and could fix anything, often finding discarded appliances and making them work again.

In 1990, he met Sue Warren Painter and her daughters, Tarrah and Tasha, and together, they built a life in Phoenix, later moving back to Eugene in 1997 to be closer to family and beat the heat. Mark then went to work for May Trucking. Several times over the years, Mark was happy to go to Montana to help his friend, Steen, with the harvest.

Mark and Sue split up in 2003. He met Patricia French, who he married in Virginia City, Nev., on Oct. 3, 2005. They lived in the Salem area until moving to Bella Vista, Ark., in 2008. In 2015, Mark and Pat retired to Ocean Park, Wash., on the Long Beach Peninsula. There Mark enjoyed working in the shop, playing Pinochle and traveling with Pat on many trips to visit family in Florida, Texas and everywhere in between. Every chance he had, Mark returned to his beloved Montana. Mark was a beloved son, brother, husband, uncle, father and grandfather. He could fix anything, drive anything and was always game to drown a worm. His family members were willing participants when he found obscure fishing holes for another fishing adventure, often the adventure was getting to the fishing hole.

Mark was the family storyteller and keeper of our family history. He enjoyed music, trains, travel, family gatherings, going through pictures and reminiscing. Mark loved his family, was always there when any of us needed him and he was so proud of his grandkids. His hugs felt like home. Mark will be remembered by all who loved him in hugs, stories, laughter, time spent together (playing Cribbage and Pinochle), and every time we need something fixed and can't call him to ask how. We miss him terribly and are heartbroken by our loss. He will always be in our hearts.

He is survived by his dear wife, Patricia (French) Christensen; brothers, David (Trish), Philip (Kris), James (Sheryl) and Timothy (Roberta); daughter, Toni (Uma) UmaShankar; stepdaughter, Liza Perry; stepson,

Ted (Tia) Perry; stepdaughters, Tarrah Painter Tasha Painter; and grandchildren, AviLashan, Arujun, Aashwin, Alexander, Aryanna, Abigail, Amara, Christopher, Skylar, Aubrie and Cecilea.

Mark was preceded in death by his parents, William and Kathryn (Larson) Christensen.

Fuller, Dwight

BN XO

Birth: 23 January 1936
Death: 22 January 2011
Burial: Arlington National Cemetery,
Arlington VA
Plot: Section 6, Site 9633-D

Ret. U.S. Army LTC Dwight Hunter Fuller, who was born January 23, 1936, died Saturday, January 22, 2011, at his home in Leavenworth, Kansas.

At the time of his death it was 16 minutes after midnight eastern standard time. Dwight was born at Walter Reed Hospital in Washington D.C. and left his physical existence to be with God minutes after his 75th birthday. He left us, as it should be, singing happy birthday in celebration of his life.

Dwight graduated from the United States Military Academy at West Point in 1959. Dwight went on to become an airborne ranger and served two tours in Vietnam. He met his spouse Frieda while on his first assignment in Ulm, Germany. His career included several assignments in Germany, which allowed Frieda to be close to her family and their children to expand their life experience beyond the ordinary. After retiring, Dwight went to work at Fort Leavenworth, Kansas for a defense contractor in the battlefield simulation business where he helped trained senior Army officers in military tactics.

Dwight's life was defined by three pillars: Family, Country, Faith.

As a father and husband he set the standard for strength, integrity and compassion. Confident but never too proud, stern but never angry, and always, always, putting his family before himself. As an Army officer he dedicated himself to the cause of his country. "Duty, Honor, Country," was a guiding principle to Dwight, not a fanciful catch phrase. His Catholic Faith was about living as Christ commanded. He wasn't a "good Catholic," he was a "great Catholic," having lived by the principle that good works were his obligation to others in exchange for God's gift of free will to him.

These three pillars were the purposes for Dwight's existence and always stood in front of his own self-interest. His mission in life was to build and strengthen these pillars. His mission has been accomplished. He now joins God on the high ground where he will continue to guide and inspire us.

Dwight is survived by his wife, Frieda; their five children, Mike, Dwight, Margaret, Joseph, and Dean; 11 grandchildren; and two great-grandchildren. Dwight lived selflessly, with the utmost dignity and respect for others. We will miss him on this earth, cherish our memories of him, and always look to his spirit for guidance.

He was cremated. Inurnment will be in Arlington National Cemetery.

Birth: 23 September 1959
Death: 14 April 1979
Burial: Dallas Fort Worth National Cemetery

Jonathan Huckvale, 57, passed away on September 18th, 2023. He was born on March 23, 1966, to James Earl Huckvale, and Sandra Joan Cable (Gedutis) in Brockton, MA. He lived a life filled with music, laughter, and cherished memories.

Jon served in the Army from 1986 – 1990, graduated from the University of Texas at Arlington in 1994 with a Bachelor's in Business Administration and Management. He spent the majority of his career in IT, starting at Sprint as a computer programmer, moving to Transamerica for 7 years, and then 16 years as a systems analyst with Walmart in Bentonville, AR.

Jon gained local renown as a mainframe computer programming expert, known to often work tirelessly into the early morning hours. He was widely regarded as a man driven by a dedication to duty and would work as long as it took to get the job done. He never complained; he took on every challenge with an upbeat attitude— confident he could figure out the right path to resolution. Jon was regarded as a master of mainframe technologies at Transamerica and Walmart and his reputation as such remains to this day. In his spare time, Jon mastered the guitar and played for a local rock band in Arkansas. He had a real love for rock music.

Jon spent the latter part of his life, endeavoring as an entrepreneur, starting two businesses over the past five years with the same enthusiastic gusto he brought to bear in his computer career. He left homes forever changed by his painting skills and dedication to perfectionism and customer satisfaction. While Jon was a highly intelligent, fun-loving, upbeat man, he was also a character; a unique individual the likes of which we may never see again. This is what made him so endearing to all who knew him. Jon will be deeply missed by his entire family and many close friends. He will forever remain in their hearts as the fun-loving person he was. Johnson, Carl Robert “Poppy”

B Co 78-79

Birth: 19 January 1953
 Death: 25 January 2022
 Cemetery: Tahoma National Cemetery
 Covington, WA

Carl Robert “Poppy” Johnson of Lakewood, Washington, passed away January 25, 2022. He was 69. He was born in Rushville, Indiana, January 19, 1953, the oldest child of Dorothy (Furbee) and Wilfred Johnson.

Serving our country was a goal from the time Carl was five and his dad asked him what he wanted to be when he grew up. He remained a kid at heart even when it came to the U.S. Army and taking care of his family. C.R. went to West Point Military Academy following high school. Upon being commissioned, he married his high school sweetheart and love of his life, Sandy Thomas on July 5, 1975. Together they raised a few dogs, two cats, two daughters, and enjoyed sons-in-law and grandchildren.

During his military career, C.R. was an Airborne Jump Master, an Army Ranger, and rose to the rank of Major. His service took him and his family to Georgia, Germany, Indiana, Virginia, North Carolina, Saudi Arabia, and finally, Washington State. His duty to country took him around the world for training and service. Quite a feat for a small-town boy.

After giving 24 years of his life to the Army, he retired in 1995. He spent a few years in sales, cars, and jewelry before being able to go back to work where his true calling was – with the soldiers as a Department of Defense civilian. Finally, he followed Sandy to Ft. Sam Houston, Texas, to finish out both their DOD careers before returning to Washington.

While the Army had a special place in his heart, after retirement, Carl’s most beloved activity was anything that had to do with his grandchildren, even if it just meant him napping while they were around him. With them or on his own, he enjoyed drawing, painting, and woodworking/building. He was always on the look out to find a better way to fix, or work, or adapt something.

He carried his strong faith with him, not only as a “Christian Soldier” but a teacher to his family and through his many medical challenges.

Carl is survived by his wife of 47 years, Sandra; his daughters, Faye (Matt) Peebles, Angela (Kyle) Muller; grandchildren, Cecilia, Serenity, Meadow, Rose, Brooklynn; step-grandchildren, Ali and Kyle Jr.; one step-great-granddaughter, Rylee; sister Jane (Steve) Lamb; brothers, John (Karla) Johnson and Jeff (Michael) Johnson; lots of nieces, nephews, siblings-in-law, and self-proclaimed children. He was preceded in death by his parents, Dorothy and Wilfred Johnson; and brother, Bruce.

Carl will be interred at the Tahoma National Cemetery in Covington, Wash., on February 7, 2022, with full military honors. In lieu of flowers, donations may be made in Carl’s name to one of the non-profits close to his heart: American Red Cross, Catholic Community Services’ Nativity House Tacoma, and Wolf Haven International.

While the world has lost a bright light, may we all rejoice in our own memories of Carl and be thankful we had them.

Mohs, Robert P.

Battalion CSM 1984-1985

Birth: 31 August 1944
Death: 05 March 2022
Buried: Arlington National Cemetery

Robert Paul Mohs, 77, known as “Bob” to family and friends, passed away on March 5, 2022, in Bigfork shortly after being diagnosed with liver cancer.

He was born Aug. 31, 1944, to Henry Peter and Mary Bernice (Shepherd) Mohs as their oldest son in Grafton, North Dakota, into a military family and lived in various states and for six years in West Germany, as a youth.

Bob entered the U.S. Army at Fargo, North Dakota, in 1962 as a paratrooper, and served for 28 years of which over 16 years was spent overseas. During his service, he served in Airborne, Pathfinder, Ranger, and Special Forces units. He fought for three years in South Vietnam, Cambodia, and Laos, primarily in reconnaissance units such as MAC-V SOG’s SOA-CCC. During the Persian Gulf War, Bob was a command sergeant major of the Special Forces Battalion in Europe whose mission was to conduct combat search and rescue operations for downed pilots and air crews in Iraq. His battalion was also responsible for establishing the first Kurdish Refugee Relief camps along the Turkish border in Iraq for the United Nations Humanitarian Operation “Provide Comfort” after the war. For his service, CSM Mohs received 38 individual awards, service medals and ribbons; 10 unit awards; and 11 badges and tabs. Included in these awards are the Combat Infantryman’s Badge, the Silver Star, Legion of Merit, Bronze Star for Valor, Purple Heart, three Meritorious Service medals, RVN Cross of Gallantry with Bronze Star for Heroism, and the Special Operations Combat Divers, German Parachutist and Norwegian Military Winter Warfare and Ski badges.

After retirement in 1991, Robert traveled extensively in pursuit of putting together a written history of the genealogy tree of his family’s namesake. Eventually Montana became home, and he spent the last 15 years of his life there. He truly loved the majestic beauty of the state.

Mr. Mohs was a life member of the Veterans of Foreign Wars, Special Forces Association, Military Order of the Purple Heart, and Special Operations Association.

Bob was preceded in death by his father, a 29-year Army sergeant major from St. Martin, Minnesota, and mother from Crystal, North Dakota, who both died in Richmond, Virginia; a brother Donald “Donnie,” a two-year veteran helicopter gunship crew chief of Vietnam, who was twice decorated for valor, who died in Fort Ord, California; another brother, Wayne, a 22-year Naval officer, who died in Charleston, South Carolina.

He is survived by two daughters, Teresa Necole of Gray, Georgia, and Windy Loreley Maria of Olympia, Washington; a brother, James A. of Moseley, Virginia; a sister, Janis L. Ussery, of Royal Palm Beach, Florida; several grandchildren and one great-granddaughter.

Robert touched so many lives both in the military and locally. His boisterous “Well, hello there” coming in the door will be greatly missed, as will his quick wit.

CSM Mohs will be laid to rest at Arlington National Cemetery in Arlington, Virginia, at a date yet to be determined with the full military funeral honors that he so respectfully deserves.

In lieu of any cards of sympathy or flowers, Bob’s last request is that donations be made to the American Cancer Society in the name of his mother, Bernice Mohs.

On a final note, to all those remaining in the world he wishes for you to go in peace and make a difference, because your time will be at hand quicker than you realize or maybe want!

Sam had a desire to serve God through youth ministry, and he was told by a senior officer that the Army was the "biggest youth group in the world". Sam subsequently attended officer candidate school (OCS) and became an Army Chaplain in 1970. Sam served in the Army for 35 years, with combat deployments to both Vietnam and the Persian Gulf. Upon his retirement in 2000 from the Army, Sam became a chaplain at the Veteran's Affairs (VA) hospital in Leavenworth, Kan., where he was recognized as "VA Chaplain of the Year" after his 1st year of service. Sam and his wife Linda started "Rock of Ages" Evangelical Free Church in Leavenworth, which he pastored from 2000-2023. Throughout this time, Sam also served in prison ministry. Sam was a faithful servant of the LORD throughout his entire life and will be deeply missed by his family, friends, church congregation, and the entire community. Sam was known for his joy for life, wonderful sense of humor, engaging story telling, and his unbelievable servant's heart. He faithfully and tirelessly served God through amazing generosity and service to those in need.

Sam was well known across the Army for his "Moses stick" which he used throughout his career to encourage troops to always fight the good fight and keep their faith in Jesus. Sam's life was a true testimony of someone being the hands and feet of God serving his community.

Sam was a loving husband of 55 years to Linda. Sam loved his family and set up an annual fishing retreat in Minnesota every summer. The memories made during these trips are cherished by the entire family. Sam loved the outdoors and was always out fishing, hunting, gardening, playing sports, and cheering on the kids/grandkids on their sports teams. He also enjoyed getting together with family to cheer on our favorite college or professional sports teams. He truly was loved by his entire family.

Sam is preceded in death by his parents Gene and Melvina and youngest son Franz (5 years old).

Sam is survived by his siblings Gayle (John) and Ron (Vicki), his wife Linda and their children Heidi, Leif (Beth), Hans, and Klaus (Shannon) & 12 grandchildren, Robbie (Kat), Sam, Grace, Erick, Leona, Zach, Garrett, Lyla, Sophia, Micah, Brooke, Henry, and two great-grandchildren Natalia and "expected" Reid.
